new! c9300

New CompX C9300 postal lock for non-USPS delivered sites

The new C9300 postal lock is for private delivery postal mailboxes only, for colleges, universities, commercial buildings and mail & parcel centers.

CompX National is the only source for USPS approved 401B (C9300) commercial replacement locks.

C9300 includes lock, assembled cam and three keys. Case quantity: 25 per box. Nickel-plated key blanks (p/n D4400) sold in bags of 10.

The C9300 is not intended to replace the 306B lock, which can be obtained only from the USPS.
